Ceylon Teas

Explore our exceptional Ceylon tea collection at YouLike Canada Holdings Inc., featuring traditional loose leaf teas, tea coins, and uniquely handcrafted Wild Tea Rods. Sourced from the lush landscapes of Sri Lanka, our teas embody the rich heritage and exquisite craftsmanship of Ceylon tea-making.

Experience tea like never before with our tea coins — a unique, sustainable alternative to traditional tea bags. Each coin is crafted from hand-picked Ceylon tea leaves, offering a bold and flavorful cup while preserving the tea's natural integrity. This format enhances the brewing ritual, allowing you to enjoy the full spectrum of flavors and aromas in every sip.

Our loose leaf teas showcase whole, dried tea leaves selected for their depth, aroma, and antioxidant properties. Sourced from renowned tea gardens, these premium leaves are a delightful addition to your wellness-focused daily routine.

Completing the range are our Wild Tea Rods — hand-rolled using wild-grown Ceylon tea leaves. These artisanal rods brew a smooth, aromatic cup and offer a compact, eco-friendly format that reflects the purity and tradition of Sri Lanka's tea-growing legacy.

At YouLike, every cup tells a story of nature, wellness, and care.

Ceylon Spices

Discover the rich and aromatic world of Ceylon Spices, sourced from the fertile landscapes of Sri Lanka, renowned for its rich soil and ideal climate. Our range of spices includes the finest quality Ceylon cinnamon, cardamom, cloves, and more, all hand-picked and carefully processed to preserve their full flavor and health benefits.

Ceylon spices are known for their distinct, natural flavors and superior quality. They are an essential part of Sri Lankan cuisine and are perfect for enhancing both savory and sweet dishes. With a rich history rooted in trade and culinary traditions, these spices bring the authentic taste of Sri Lanka to your kitchen.

Each spice is carefully selected for its purity and potency, providing an all-natural way to add bold flavors to your meals while supporting health and wellness. From the sweetness of true Ceylon cinnamon to the bold, fragrant notes of cardamom, our spices offer the finest and most authentic flavors.

Ceylon True Cinnamon

Discover the exquisite taste and aroma of our premium Ceylon Cinnamon at YouLike Canada Holdings Inc. Ceylon Cinnamon is the true cinnamon (*Cinnamomum verum*), celebrated for its delicate flavor and numerous health benefits, distinguishing it from the more commonly found cassia cinnamon.

Renowned for its sweet, subtle notes and lighter color, Ceylon Cinnamon is a versatile ingredient perfect for enhancing both sweet and savory dishes. With a lower coumarin content compared to cassia, our Ceylon Cinnamon is a healthier choice for culinary enthusiasts and health-conscious consumers alike.

Whether you're adding it to your morning coffee, baking delicious treats, or elevating your favorite recipes, our authentic Ceylon Cinnamon will enrich your culinary creations with its rich, aromatic profile. At YouLike, we are dedicated to bringing you the finest organic spices from Sri Lanka, ensuring that each sprinkle of our true cinnamon reflects the essence of this treasured spice.
